

## Health safety and legal advice

We want you to have a fantastic time at your bake sale and to sell as many fantastic products as possible.

Please remember the following when you are planning your bake sale:

- Ensure that all ingredients are fresh and stored hygienically. Use plastic gloves to ensure safe handling.
- Consider that some children and adults have allergies. It is a good idea to use bake labels to highlight which ingredients have been used in your baked products. The most common allergies are to nuts, eggs, dairy products and gluten.

### Lotteries and raffles

If you plan any sort of lottery or raffle – you may need to have a licence. If you have any questions on this, please get in touch with us and we will be happy to provide advice.

### Handling money

We have provided resources in this pack to help you pay your funds raised to the charity when your bake sale is complete. Just remember to be careful it is a good idea to have more than one person present when counting and handling money.

### GOOD LUCK!

We hope that your Right Royal Bake Off is a fantastic success. Don't forget to let us know if you are planning a sale. Send us your pictures and post them on facebook, twitter and instagram. If you have any questions, please get in touch: [fundraising@kidsinspire.org.uk](mailto:fundraising@kidsinspire.org.uk) or call 01245 348707
